

Ring the Church Bells

Sisters and Brothers ... have you noticed our collection totals to date for this fiscal year? **We are down about \$90,000- dollars in our regular, collection income from this same time next year.** I am beginning to get very worried. If you can ... please help. Have you fulfilled the commitment for giving that you made? If you have not been attending Mass, are you still sending in your church contribution? Is this a good time to sign up for regular electronic giving? Please think about all of this and pray about it, and please pass the word. *I am not sounding an alarm, but I am ringing some bells.* If this continues, we will find ourselves in a financial crisis. I am very grateful for any help or prayers you can provide. Fr. Matt
